Guatemala

The Main Square - Antigua

Guatemala, home of the ancient Mayan civilization and still with a large indigenous population, is a beautiful and hospitable country. Antigua, surrounded by mountains and volcanoes, is one of the most enchanting colonial cities in Latin America. People are friendly and the cost of living is low, making Antigua an ideal location in which to learn Spanish.

Our school is located in the **historic centre** of Antigua. All classrooms are arranged around a spacious garden. Accommodation is in carefully selected host families, or else in student residences shared with other students (without meals and with kitchen, or with meals). All accommodation is within **walking distance** of the school. The friendly staff at our school organise a full cultural programme: Salsa/Merengue lessons, guided tours of Antigua, ecological tours, film evenings, horse-back excursions, plantation visits, mountain bike tour, picnics and parties, as well as a wide range of **Volunteer Work**.

The **host families** are **especially welcoming**, providing basic but comfortable accommodation. The guest houses are ideal for students who wish to share accommodation with other international students. Each guest house has a **kitchen** for students to use, but a cook is available for those who do not wish to cater for themselves!
