Friendly school staff

Oaxaca is 'real Mexico' in the best possible sense, unspoilt by modern development, with beautiful colonial Spanish buildings, cobbled streets, lovely 'plazas', friendly people and a generally relaxed way of life. The stunning architectural beauty of Oaxaca simply has to be seen, as does the 'Zapoteca' historical site overlooking the city.

Our school is situated in the historic heart of Oaxaca, just 2 minutes' walk from the main square. The school is built in local style, with a lovely internal patio, where students meet up at break time and after class. There is also a student cafeteria, serving snacks and local food, free Internet access, plus a really friendly, welcoming atmosphere throughout the school.

The maximum class size at our school in Oaxaca is just 5 students. Accommodation is arranged in carefully selected Mexican host families, where students can choose between bed and breakfast, or half board. The school also organises a wide range of afternoon workshops and activities, including Mexican cookery and Salsa dance classes, Arts and Crafts, Mexican songs, parties, picnics and excursions to nearby places of interest. The cultural activities not only give students opportunity to practice the Spanish they learn on the course, but also ensure they thoroughly enjoy their time in Oaxaca.
